## SHOWTIME '73 MARINE PAVILION FOLKESTONE

PRESS REPORTS FROM  
FOLKESTONE  
HERALD AND GAZETTE

Showtime '73 again splendidly  
devised and produced by Bob Marlowe.  
Only four years ago the Town  
Council was seriously thinking of  
scrapping a summer show altogether  
after a series of failures. Now a HAT  
TRICK OF HIT SHOWS has been  
completed and Folkestone has become  
the envy of most holiday resorts in the  
South East.

The first of the successful Show-  
times in 1971 set new standards in  
Folkestone entertainment. The 1972  
show was even better. The current  
production gives indications of  
breaking all previous records.

The final mixture is a smooth, fast  
moving family show. It's a must for all  
who like enjoying themselves.

A personal triumph for Bob who is  
also the show's talented  
choreographer.

My thanks to a hardworking and ex-  
tremely talented group of artists.

Sincere thanks to John Bullock for  
three happy years' association and for  
1974 offer.

Autumn production — return en-  
gagement to Forum Theatre,  
Billingham. Thanks to Les Jobson.

PANTOMIME—

Third Xmas production for Triumph  
Productions. Thanks to Paul Elliot and  
Duncan Weldon.
